MALAYSIA BLOCKCHAIN WEEK

17 June to 21 June is very special period; Malaysia is delighted to host Malaysia Tech Week 2019 (MTW2019) and Malaysia Blockchain Week (MBW2019), a city-wide festival of Traditional Technologies and Emerging Technologies.

MBW 2019 will bring together top Blockchain and Emerging Technology startups, Associations, Corporates, Ecosystem partners, Government, Regulators, Media, Investors, and Speakers from various parts of world to Kuala Lumpur, Malaysia.

There are lots of Blockchain Conferences happening around the year but MBW2019 is turning it into Malaysia Blockchain Week , sponsored by BLOCKON, one of the early pioneers in blockchain and crypto events, MBW2019 is going to be A Blockchain Festival of series of multiple events combined into MBW which will happen every year after year.

We expect 1000+ participants from this week in Malaysia including 200 Decision Makers as participants to take part throughout the MBW2019 on 20th and 21st June. The MBW 2019 conference will be held on 20th June at the Renaissance Hotel Kuala Lumpur. MBW 2019 will host Gala Dinner and GLOBLA Malaysia Edition on 21st June 2019 as well.

There are no paid tickets for the Conference/Exhibition, it's strictly through RSVP followed by invitation confirmation only. Other events in the week by other organizers may require separate registration, refer to their websites.

BLOCKON

Create, Connect, Collaborate and Rock On with BlockOn

There's something for everyone. For 2019 we kickstart with the Blockchain Thought Leadership and Cryptocurrency Conference, followed by a GLOBLA – Award, Gala Dinner and Networking night.

Side events will run, for instance as the form of workshops and many events with our sponsors and partners.
